

T200A

Stereo In-Ear Headphones

Robust sound in featherlight package.

Drawing on expertise learned from building some of the finest loudspeakers in the world, JBL engineers created lightweight, comfortable headphones that deliver signature JBL sound. The T200's 9mm drivers generate high sensitivity, extended frequency response and PureBass Performance that is deep and powerful. So you hear the truth from your favorite music. And because we know headphones, like the music they deliver, are an extension of your personal style, JBL T200A's are made with quality materials, come with a carrying pouch for easy storage and 3 pairs of silicone sleeves for comfort and convenience. In addition, there's an in-line microphone that lets you manage your sound and calls without taking the headphones off.

Features

- ▶ JBL Signature Sound
- ▶ On-the-go convenience
- ▶ Lightweight, comfortable and made with care
