WAVE 300 TWS

True Wireless Earbuds

Bluetooth®

Your music and your world—together at last.

Keep on top of your world. JBL Wave 300TWS earbuds bring you your music while staying in touch with your surroundings with no wires holding you back. Enjoy 26 hours of powerful sound enriched by JBL Deep Bass. Stay in touch on the go with stereo calls and no annoying background noise. Manage audio and handle calls hands-free from either earbud or both, thanks to convenient touch controls. Ergonomically designed, their "stick design" fit snugly and discreetly in your ears to keep you comfortable and connected all day long, so you'll never miss a beat—or a conversation.

WAVE 300 TWS
True Wireless Earbuds

Features and Benefits

JBL Deep Bass Sound
A hefty 12mm driver delivers JBL Deep Bass sound so you don't just hear the music, you feel it.

Comfortable fit with open-ear design
The ergonomic fit stays snug and secure to keep you comfortable and connected all day while the open-ear design enhances your ambient awareness of your surroundings.

Up to 6 hours of playback plus 20 in the case with speed charge
Never miss a beat with 26 hours of combined playtime and up to 6 hours in the earbuds. Or, when you need a quick power-up, you can Speed Charge another hour of battery life in just 10 minutes and for 2 hours for a full charge.

Hands-free stereo calls
The single-mic Wave 300TWS earbuds eliminate background noise so you can enjoy stereo quality calls on the go. Easily manage sound and calls hands-free, directly from the earbuds!

Dual Connect
Easily shift between mono and stereo at any time in your left, right, or both earbuds while making calls, enjoying music, or talking with your voice assistant.

Action ready
The convenient, rain-resistant IPX2-certified design of the JBL Wave 300 TWS earbuds means you enjoy your music anytime—rain or shine.

Touch control and voice assistant supported
Convenience at your fingertips. Activate all of your JBL Wave 300TWS's audio functions with the ease of touch control and access your device's voice assistant directly from your earbuds.
