

Arena 125C

2-way Dual 5-1/2" (140mm) Center Channel Speaker

Black

White

Hear a center channel that isn't just talk.

Say goodbye to distorted dialogue with the JBL Arena 125C. This 2-way center channel loudspeaker's dual 5.5" (140mm) woofers, rear-firing tuned ports, and HDI waveguide provide lifelike clarity and accuracy to every moment of any given film, TV show, or game.

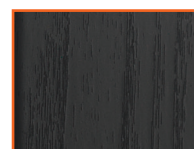

Features

- ▶ Inspired by JBL's legendary M2 Master Reference Monitor
- ▶ Signature JBL loudspeaker performance
- ▶ Understated, contemporary look and feel
- ▶ An audio powerhouse at an affordable price
- ▶ Just one part of an even more powerful system

Arena 125C

2-way Dual 5-1/2" (140mm) Center Channel Speaker

Black

White

Inspired by JBL's legendary M2 Master Reference Monitor

High Definition Imaging (HDI) waveguide technology takes its cues from the legendary JBL M2 Master Reference Monitor. Computer-optimized driver positioning and network integration result in ideal performance and lifelike soundstage imaging. Proven acoustic superiority through rigorous testing and real-world evaluation.

Signature JBL loudspeaker performance

Two 5.5-inch (140mm) polycellulose woofers with rear-firing tuned ports add acoustic precision to all your music, movies, and console gaming. 1-inch (25mm) soft dome tweeter provides clean, powerful highs. Experience standard-setting accuracy with TV shows, movies, and games.

Understated, contemporary look and feel

Contemporary cabinet shape with angled side and top panels provide a sophisticated, modern look. Soft-touch paint around the transducers and on the waveguide. Available in black and white finishes with minimalist grilles and brushed metal trims.

An audio powerhouse at an affordable price

The perfect trifecta of JBL power, precision, and affordable pricing.

Just one part of an even more powerful system

The focal point of the JBL Arena Series. Intended for use in conjunction with the entire series of JBL Arena loudspeakers: 2 floorstanding speakers, 2 bookshelf speakers, 1 center channel speaker, and 1 subwoofer model.
